

THE ACROBATIC GYMNASTICS NEWSLETTER – N°13 – 2020

LAUSANNE (SUI), December 2020

Dear Friends,

I hope that all of you are fine and looking forward with hope and persistence, together with the ACRO TC members and me.

We want to inform you on some decisions taken by the Acro Technical Committee in our video meetings.

Q & A, Clarifications and New elements approved by the ACRO TC in 2020:

- 1) Bellow, element **B** is considered as a variant of element **A** : pg 66 A9 (see also pg 58) but does NOT fulfil the handstand requirement rule.

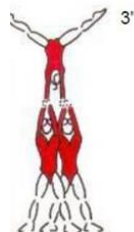

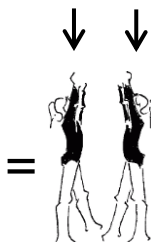

Element A

Element B

- 2) Trio Base position pg 65-D6, Category 1, can also be performed standing side by side and is considered as a variant with the same coordinates.

Notification:

New elements: adjustment of information in the COP:

A request for formal evaluation by the Acro TC can be submitted by your federation, using the official form found in the Tables of Difficulty, to the Acro TC President by email,

rosy.acro@skynet.be or rosyt.acro@gmail.com

The evaluation request must be accompanied by a detailed drawing including a suggested value for the element along with an e-mailed video of the element.

Please send your requests before 1st of March 2021, so we can still evaluate and integrate them in the next Tables of Difficulty.
