2024 FIG Acrobatic Gymnastics World Championships and World Age Group Competitions

Dear Members of the ACRO community,
Dear Coaches and Athletes',
Dear Friends,

As you know in November 2023, the FIG Executive Committee decided not to organise the 2024 Acrobatic Gymnastics World Championships and World Age Group Competitions in Holon (ISR) in light of the current situation.

During this meeting the FIG EC allocate the 2026 Acrobatic Gymnastics World Championships to Holon (ISR).

The bidding procedure for the 2024 event was therefore been reopened for all national federations. Unfortunately, **no** bids were received before the deadline of 15 January 2024.

Finally, a candidature was received from POR (Guimarães) with many thanks to the Gymnastics Federation of Portugal.

We are very happy to inform you that, at its meeting in Kampala (Uganda), the FIG EC allocated 2024 FIG Acrobatic Gymnastics World Championships and World Age Group Competitions to Portugal (Guimarães) in September 2024.

The WAGC will take place on 12-15 September 2024 and the WCH from 19-22 September 2024

The directives for the event will be send out as soon as possible and all registrations will restart from zero.

On behalf of the FIG ACRO TC and after all the uncertainties, we hope to welcome you all in Guimarães-Portugal in September 2024.

Let's make this event a celebration of our beautiful discipline.

With warm regards,

Rosy TAEYMANS
President FIG ACRO TC
