

## **Wroclaw (POL) 22<sup>nd</sup>, July 2017**

To: All Member Federations

The FIG AER-TC after the World Games competition and analysis made, wish to notify our Member Federations of the following information.

### **1. Naming of the new elements**

New elements submitted to FIG AER TC by NF with the requirements established in the AER COP (COP pg. 20/29), may receive the name of the gymnast who performs the element with the following criteria:

1. The element must receive a number and a value after the evaluation by the TC.
2. The element must be performed without touch or fall, by submitted gymnast at any FIG official competition (World Championships, World Games, World Cups), Continental Championships, registered FIG competitions. If FIG AER TC member is not present at the competition as part of the Jury, then it must be confirmed by video of the competition sent to FIG AER TC through FIG office, within 1 month after the competition.
3. The element should not be a variation of an existing element.  
For example: Flair ½ turn to split (currently not in COP)

### **2. Clarifications**

- Aerobic Step (App. 7, pg 7/7)

Add CJP Deduction:

- If Building (stacking) steps during the routine before the final pose -0.5

- Compulsory elements for Age Group: 1 Turn to vertical split (AG1) and Illusion or free Illusion to vertical split (AG2)

When the gymnast(s) performing compulsory element from group D in AG1 / AG2 and fail to perform the vertical split:
